To study law, we must have certain skills in mind and if you do not have them, develop them little by little:

Taste for social science and humanities.

I like reading.

Interest in laws.

Oral and written expression.

Reflection capacity.

Analysis capacity.

Logic reasoning.

The law degree aims to train professionals, who are capable of legal arguments and thus reach conflict resolution. With the characteristic of always having social sensitivity.

Write, what do you usually do in your house in a week? Describe the household chores you do or not, using the following activities in at least 60 words.

Wash the dishes / cook / iron the clothes / wash the clothes / make the bed / clean the kitchen / sweep / mop / do the shopping / water the plants / feed the pet

My week starts on Mondays, in the mornings from 6 am, to make breakfast and feed the pet, I start cleaning the house and then I prepare food in the afternoon to do my homework, on Tuesday I wash the clothes early, and I mop after breakfast, on Wednesday we just spend all our time doing school work, on Thursdays we go to the church service, and on Friday general cleaning, Saturday rest and Sunday school.
