

Nombre del Alumno: José Antonio Jiménez López

Nombre del tema: bacteriología y micología

Parcial: 1er.. Parcial

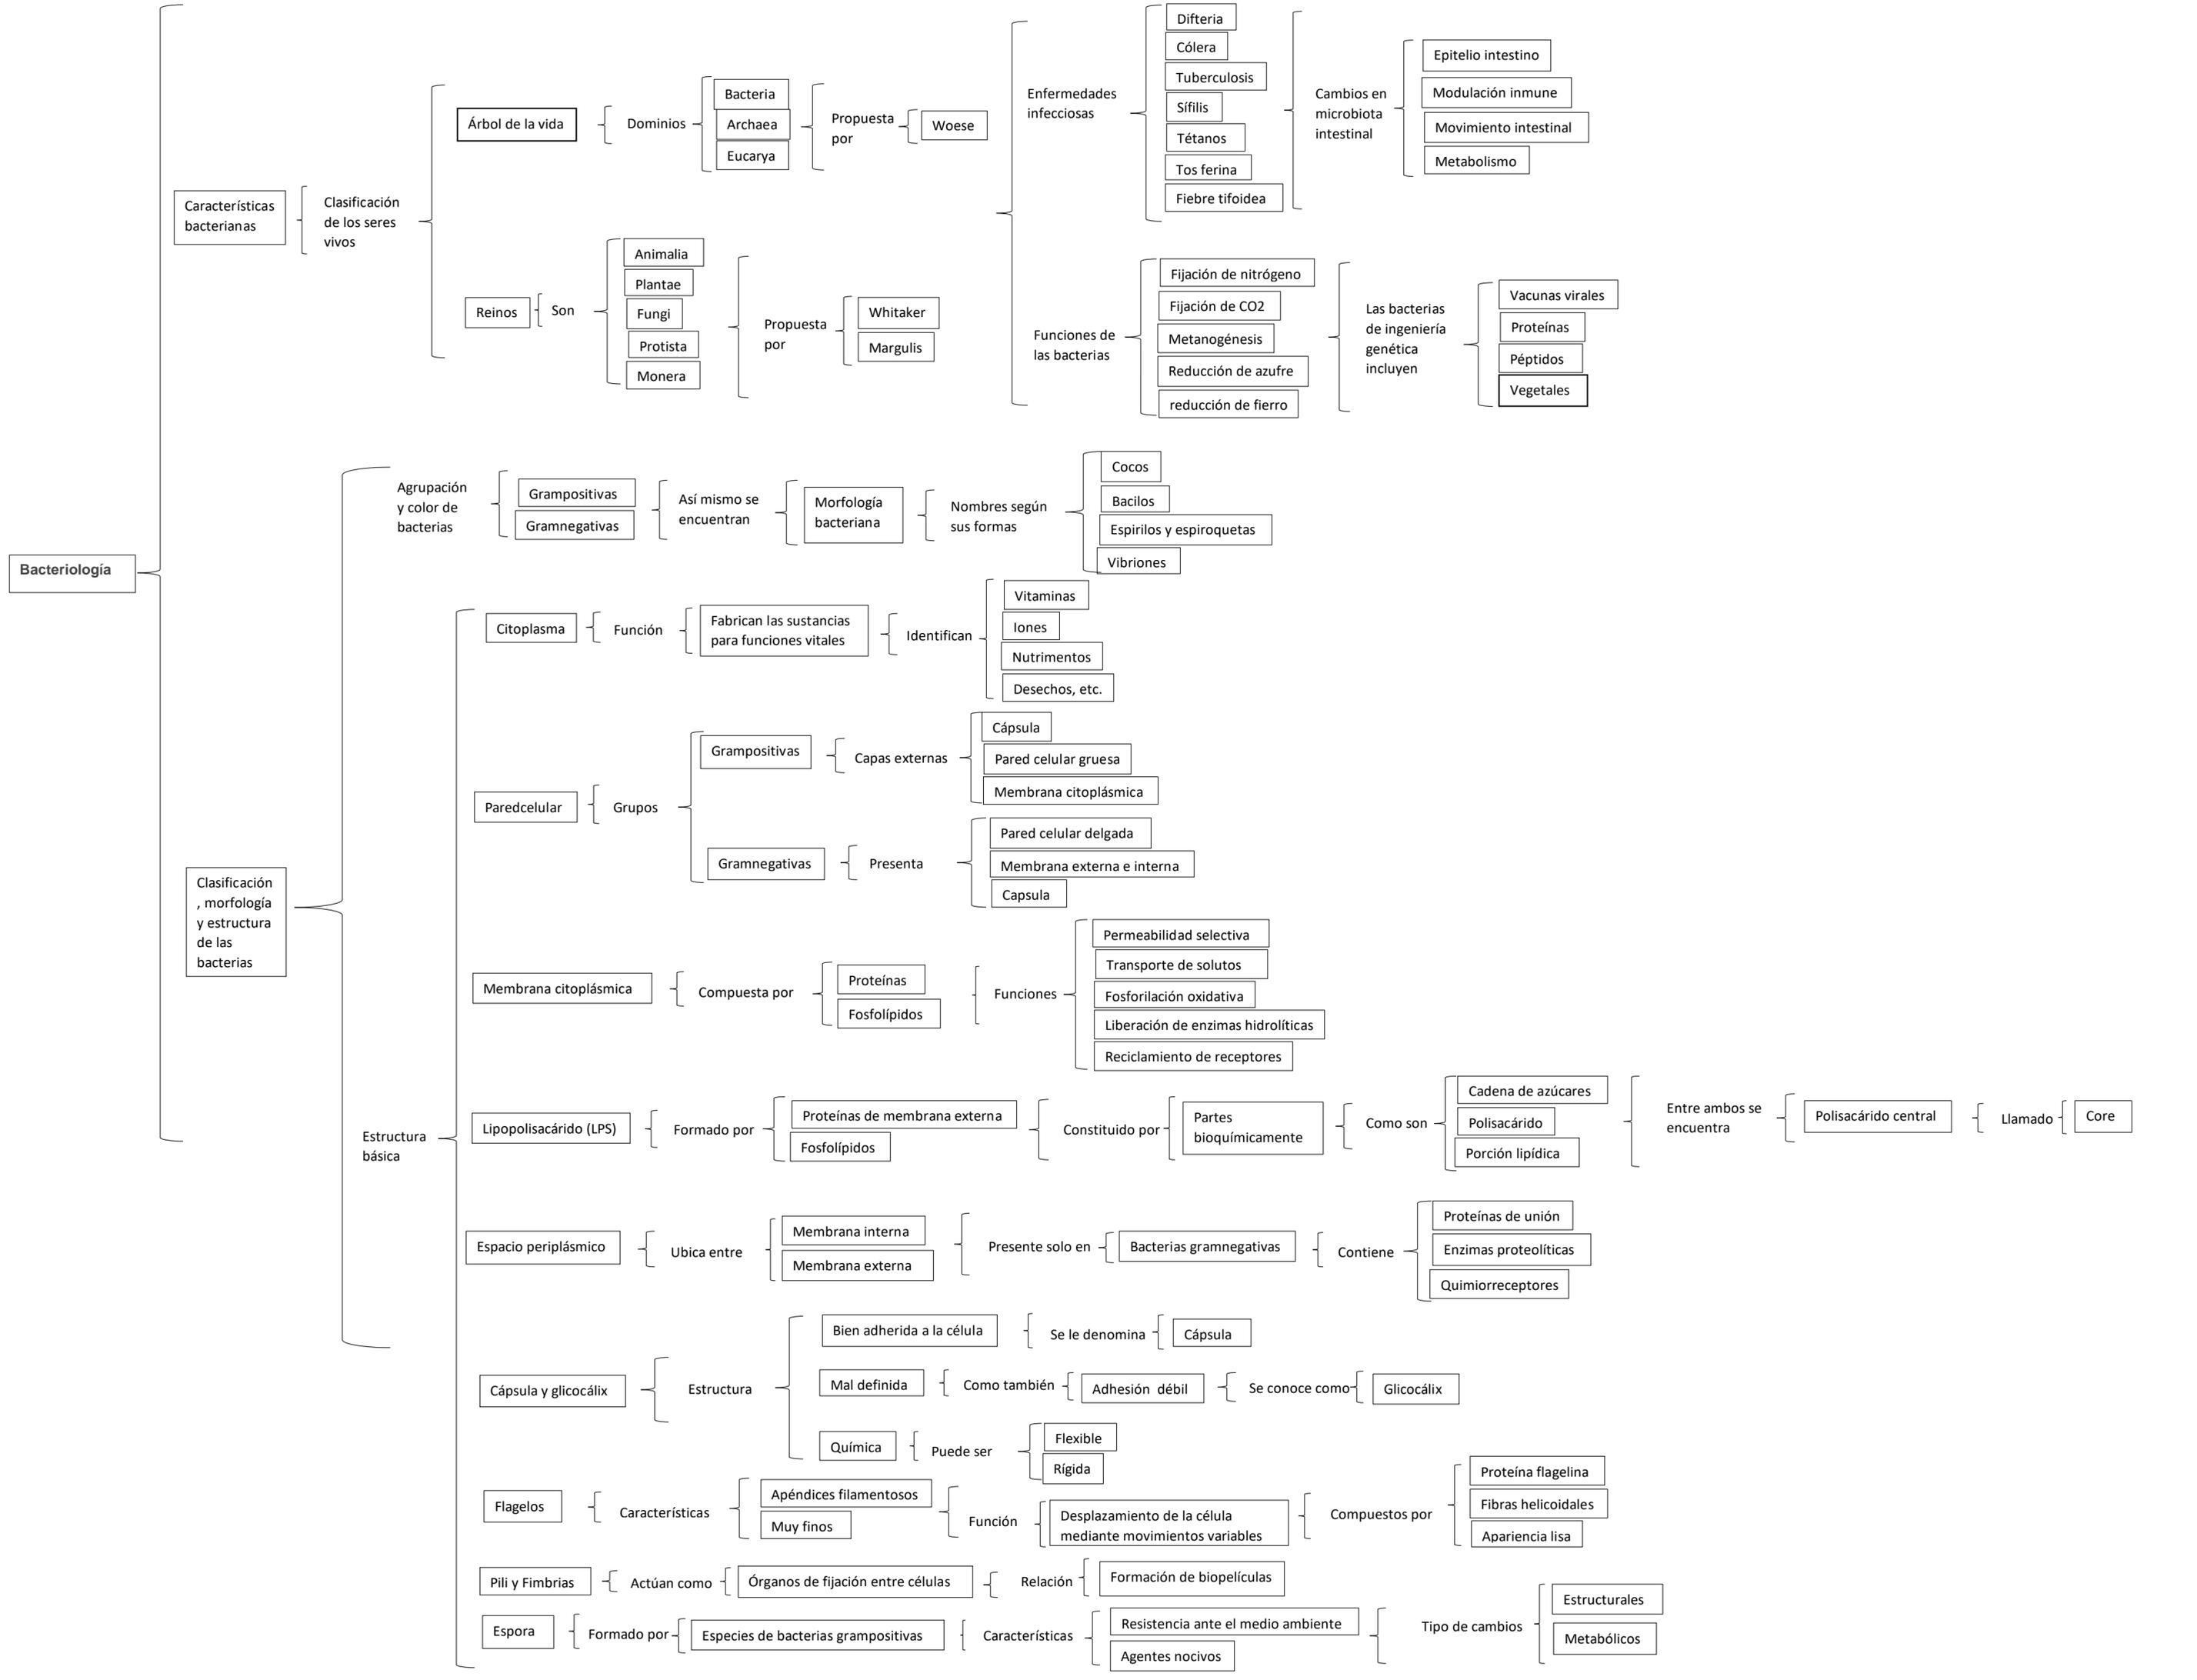

Nombre de la Materia: microbiología y parasitología

Nombre del profesor: María de los Ángeles Venegas

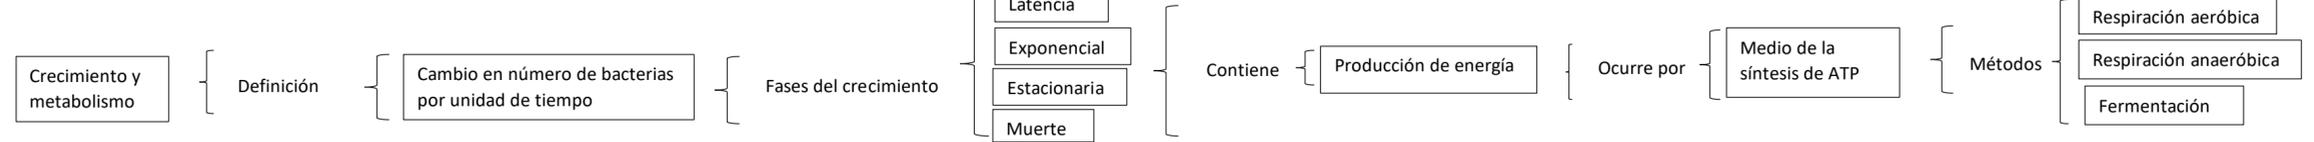

Nombre de la Licenciatura: Enfermería

Cuatrimestre: 2do. Cuatrimestre

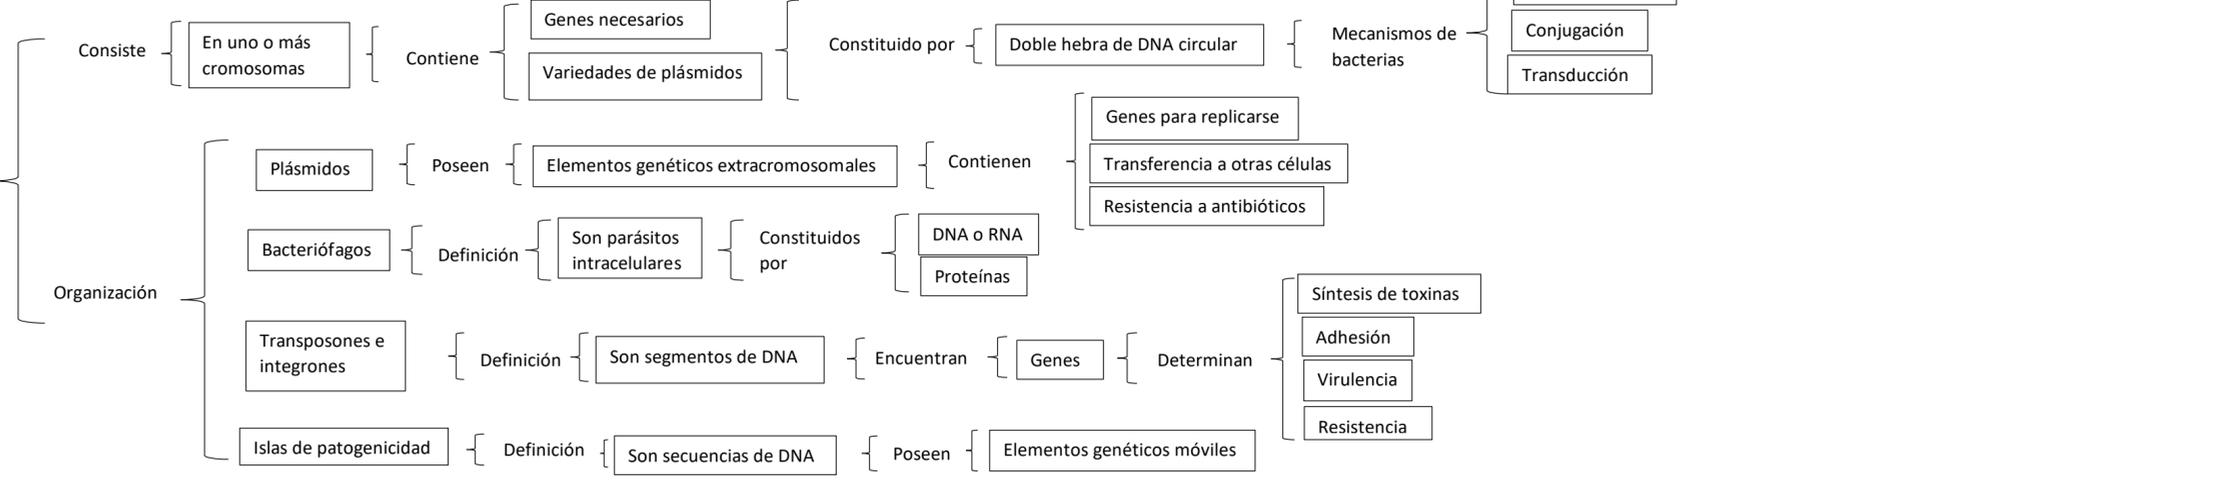

Comitán de Domínguez a 04 de abril del 2022

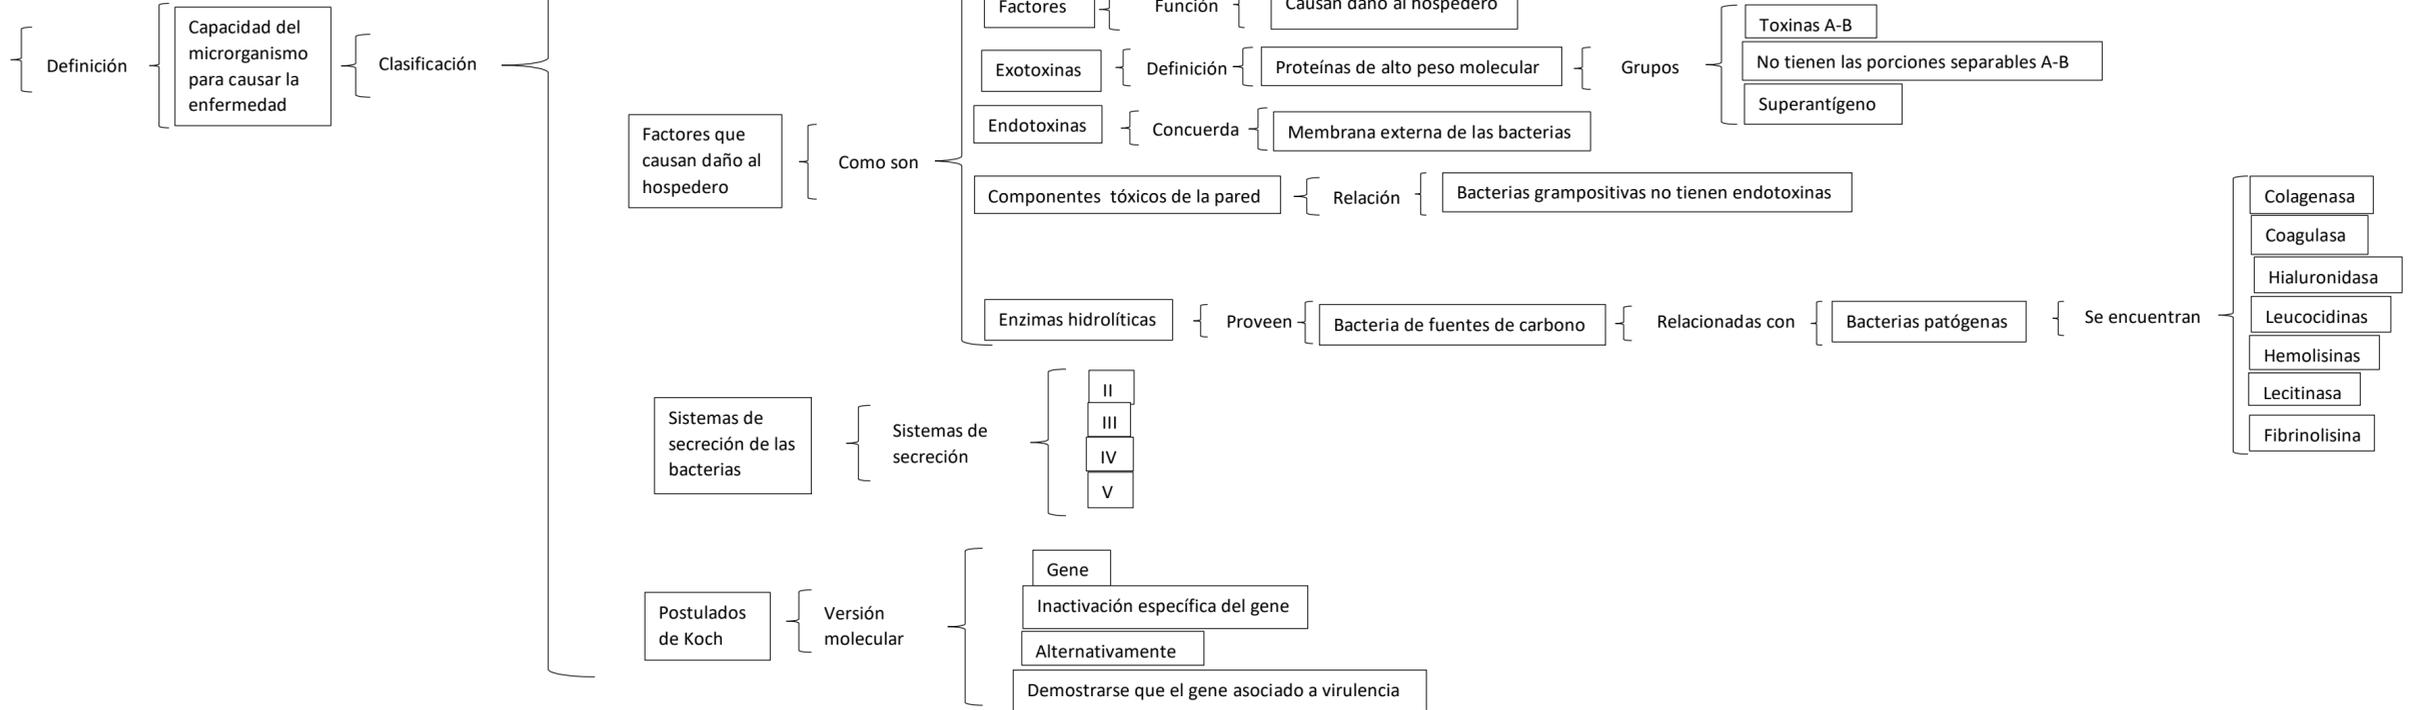

Bacteriología

Genética bacteriana

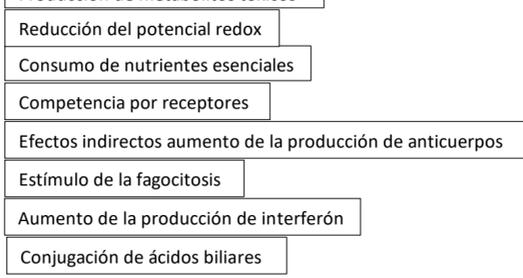

Patogenicidad microbiana

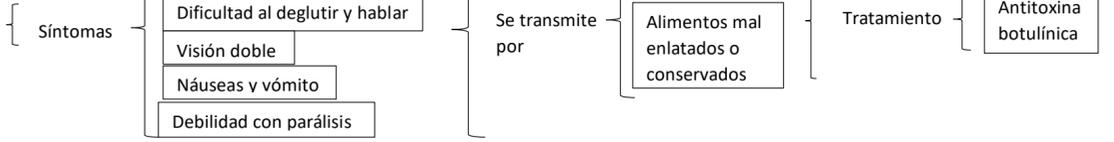

Bacteriología

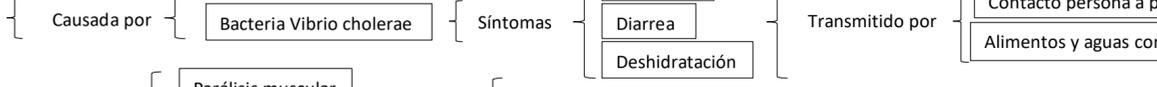

Flora microbiana

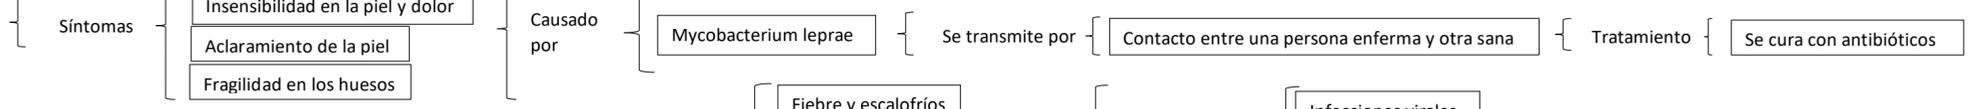

Botulismo

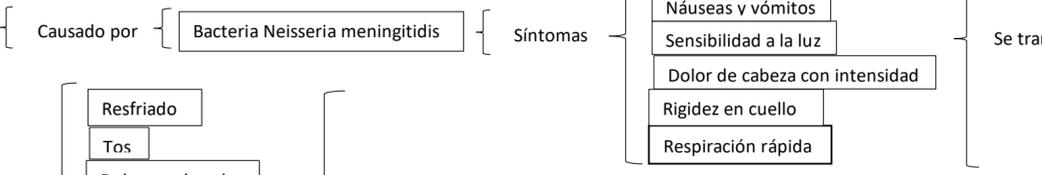

Cólera

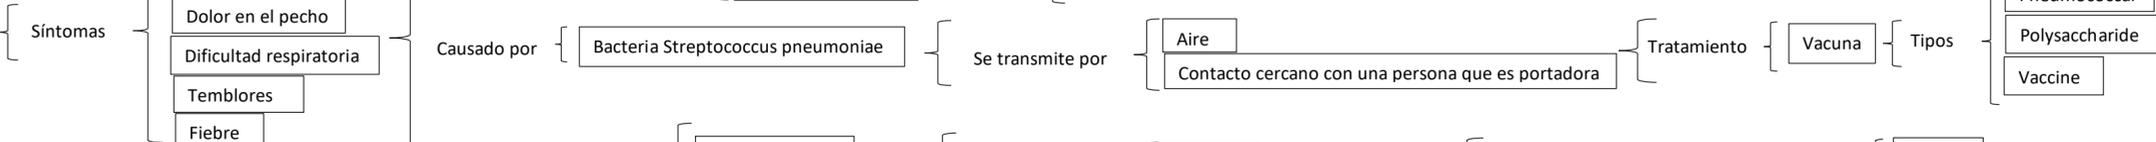

Lepra

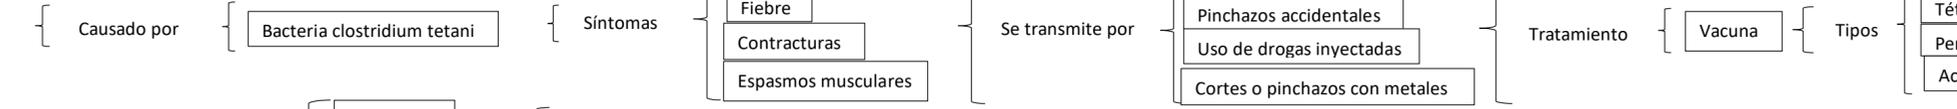

Meningitis bacteriana

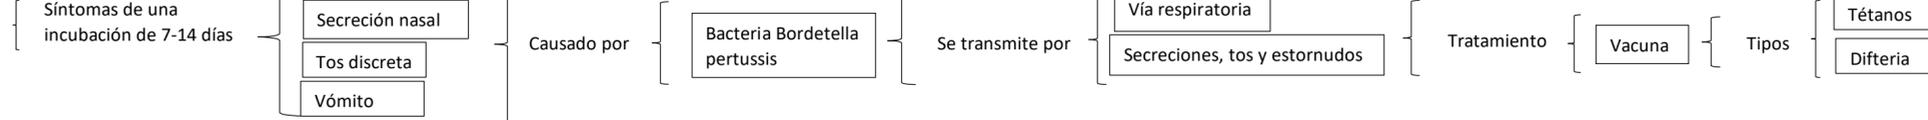

Neumonía bacteriana

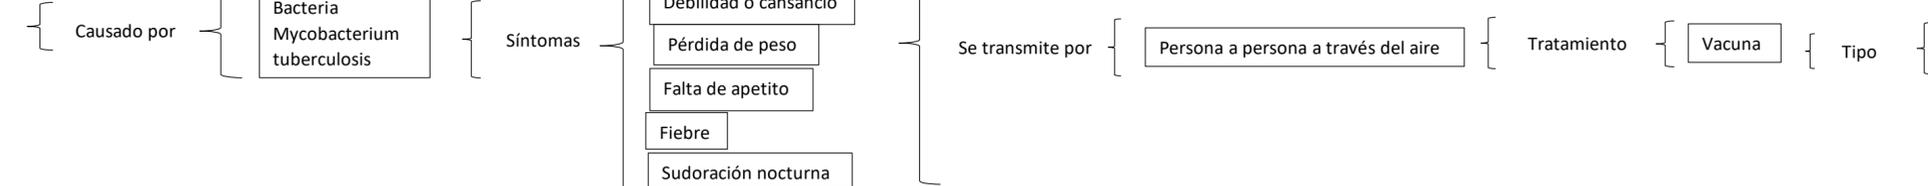

Tétanos

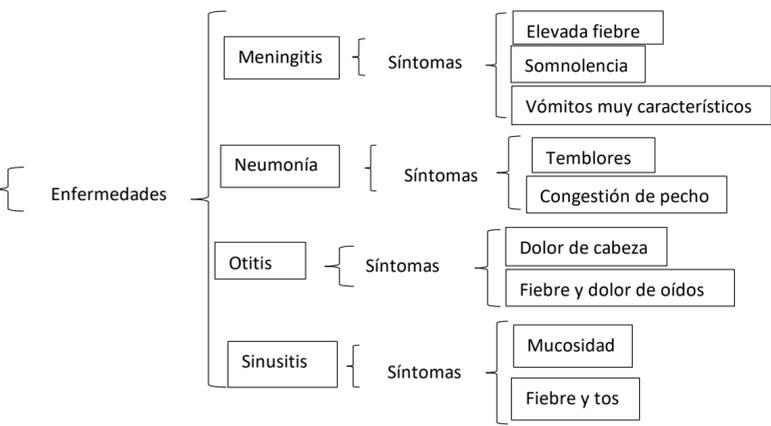

Tos ferina

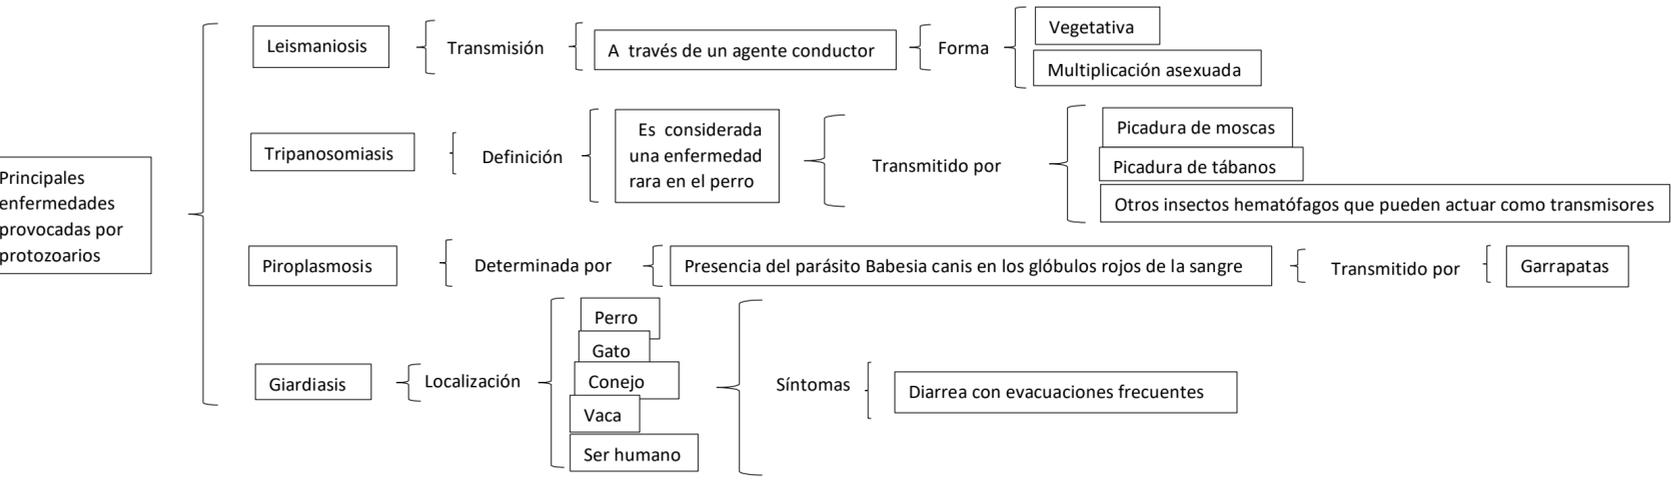

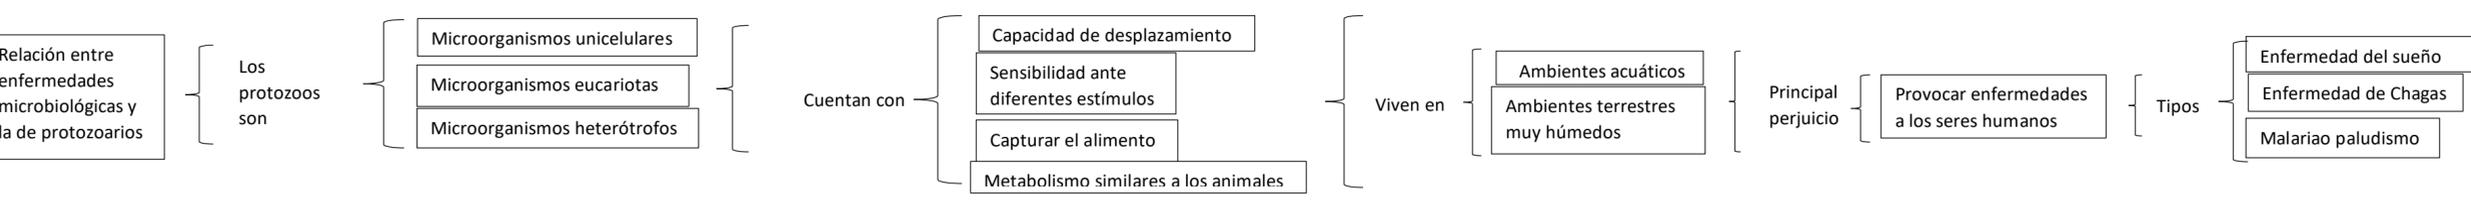

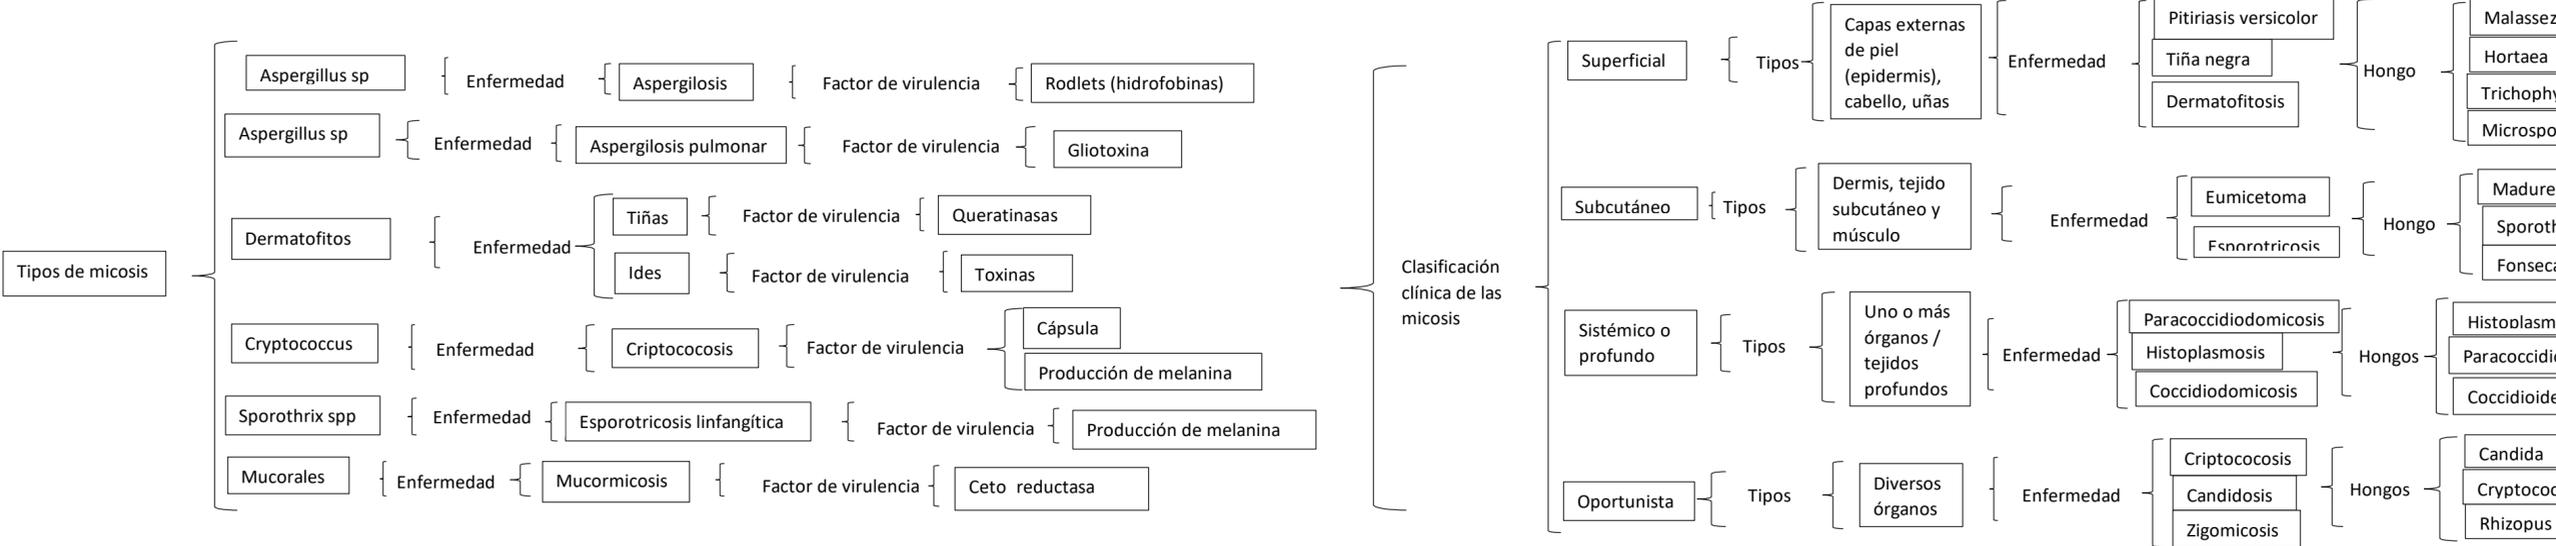

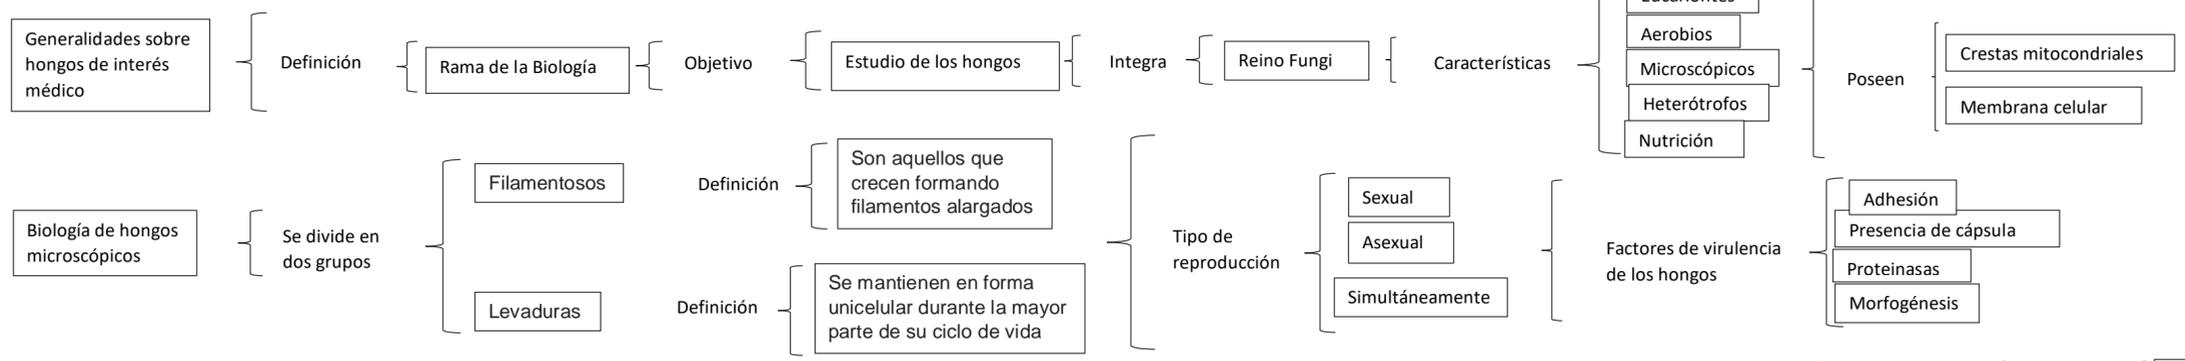

Tuberculosis

Neumococo

Micología
