## GRAMMAR

### The Present Simple tense: questions with "where" / Prepositions of place

#### Questions with "where"

Where do you live?

Where do your parents live?

Where does he work?

Where does your mother work?

#### Prepositions of place

(in)

She lives in an apartment.

They live in a house.

I work in an office.

(at)

**A preposition of place** is a word which helps to describe where something or somebody is. A preposition of place describes the location of something.

There are many prepositions of place in the English language and each of them has several uses.

In this lesson, we will study 3 prepositions of place:

at

in

on

# at

## Specific point or place

We can use "at" to describe a very specific point or place.

Examples:

"There is a dog at the top of the steps."

"She's waiting at the entrance."

"He's sitting on his chair at his desk."

"I work at a bank."

# in

## Enclosed space / a large place with boundaries

We use the preposition "in" for an enclosed space (surround or closed off on all sides). Basically, when something is inside something.

Examples:

"The dog is in the garden."

"The apple is in a box."

"The students are in a classroom".

"That people live in China".

# on

## For a surface

The preposition "on" is often used to describe a surface.

Examples:

"There's a clock on the wall."

"The apple is on the table."

"That cat is on the floor."

"My book is on the chair."
