Dear Karla:

Hello, I hope you are fine, I am writing you this letter to comment you about the invitation you made me about my birthday. I am so grateful for that but I got sick last night, so I can not go on that date. I am going to go on July 15 to have dinner with you and also, we can visit some places that you want to show me, and for my birthday we will go shopping and have a party to celebrate. Do not worry about me, I only got sick from a stomach infection, the doctor sent me medicine to treat it, he also sent me a controlled diet and rest for a few days.

No more for the moment, see you until that date, be careful.

Sincerely

Fabiola Cruz Gomez
