Dear friend

How are you? I'm a little fine

I am writing this letter to tell you that, I am not going to go to your birthday, because I got sick. I have a stomach infection. I didn't like the food. I will go the doctor because he will do some studies and he will prescribe me medications that will help me to be better. My head also hurts a lot, I'm going to rest for a few days. That's why I'm not going to travel to New York.

Sorry, I would have liked to accompany you. In my birthday, I'm going to go the movies in the afternoon. I am no going to go shoping. I am going to go party in my house. I will dance.

I promise I'm going to visit you 15 days that I'm better. I'm going to cook you your favorite food. We're going to go to the movies and we're going to have dinner in a restaurant. I'm going to take care of myself to travel to your house.

I send you a hug, a kiss

I love you friend.

Kind regards

Karla Guadalupe
