## INTRODUCTION

The present he of verbt to be { is , are am} In this lessom despite its size, you will enter the wonderful world of learning English with the present tense of the verb to be {is,are,am} as you already know ,we usually translate it as ser or estar in spanish however,the main problem with it is not actually a verb . Rathe,it is. But can act as an auxiliry in a sentence {as is, are,am, was,and were} or as a verb itself {be, being, been}

Here you will learn to use the verb to be in the present, within its function as an auxiliary in sentences. First of all, you will learn its conjugation. Then, a series of common uses of the verb. Next, you will see its negative and interrogative form and the meanning it acquires with the pronouns demostratives and adverbs of place.
