## GRAMMAR

### The Present Simple tense: questions with "where" / Prepositions of place

#### Questions with "where"

Where do you live?

Where do your parents live?

Where does he work?

Where does your mother work?

#### Prepositions of place

(in)

She lives in an apartment.

They live in a house.

I work in an office.

(at)

I live at 50 Main Street.

He works at a bookstore.

They study at the Brooke School.

(on)

Her house is on Bank Street.

We go to school on 34th Avenue.

I work on the 10th floor.

**A preposition of place** is a word which helps to describe where something or somebody is. A preposition of place describes the location of something.

There are many prepositions of place in the English language and each of them has several uses.

In this lesson, we will study 3 prepositions of place:

at

in

on

## at

### **Specific point or place**

We can use "at" to describe a very specific point or place.

Examples:

"There is a dog at the top of the steps."

"She's waiting at the entrance."

"He's sitting on his chair at his desk."

"I work at a bank."

# in

## Enclosed space / a large place with boundaries

We use the preposition "in" for an enclosed space (surround or closed off on all sides). Basically, when something is inside something.

Examples:

"The dog is in the garden."

"The apple is in a box."

"The students are in a classroom".

"That people live in China".

# on

## For a surface

The preposition "on" is often used to describe a surface.

Examples:

"There's a clock on the wall."

"The apple is on the table."

"That cat is on the floor."

"My book is on the chair."

**Exercise 2.** Complete the conversations. Use the Simple Present tense and prepositions of place
