he is taller than me, he is studying for a nursing degree, just like my mother, his appearance He has long black hair, small, very round brown eyes, two moles on his cheek that characterize him a lot, a small nose and big lips, he is a thin person, his personality is a reserved, sincere and honest person, but he is also angry and easy to irritate. He loves to play basketball, since he is the oldest, he has always had more responsibilities following in the footsteps of my mom and dad

**My name** is Fabian Aguilar Vazquez, I am 17 years old, I am the smallest in my family, I was born on July 6, 2005, and I am 1.70 cm tall, I am studying nursing in high school. My physical appearance, my hair is short half the me and the other is long, black. I don't comb my hair I have small brown eyes and most of the time I have glasses I have big lips I also have a long neck also something that always characterizes me is that I am very thin in my personality I am someone who is very quiet and reserved

## from my house to the university

To get out of my house I have to turn left and I have to go straight 2 blocks to turn right until I reach the main street go straight three blocks across the field until we reach the end of the main street turn left to enter the main road of trinitaria

where you advance one kilometer until you reach the restaurant la troje where you advance

another kilometer to the community of san antonio next to the roca restaurant

but we continue straight ahead 4 kilometers until we reach the community of Allende we will pass next to a cyber called feats

we will go 2 kilometers to get to michelad's restaurant the station already in trinitaria we will continue advancing another two kilometers passing next to the trinitaria health center

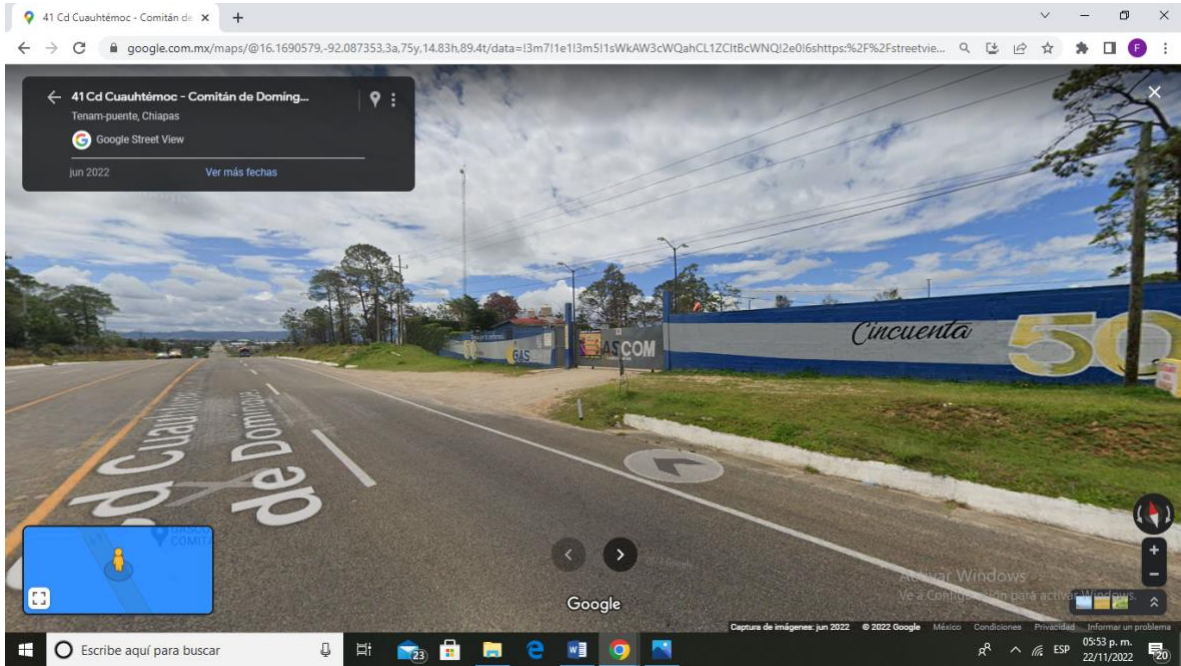

until we reach the entrance of trinitaria next to a gas station we will turn right already inside the international highway and we will continue straight 4 kilometer

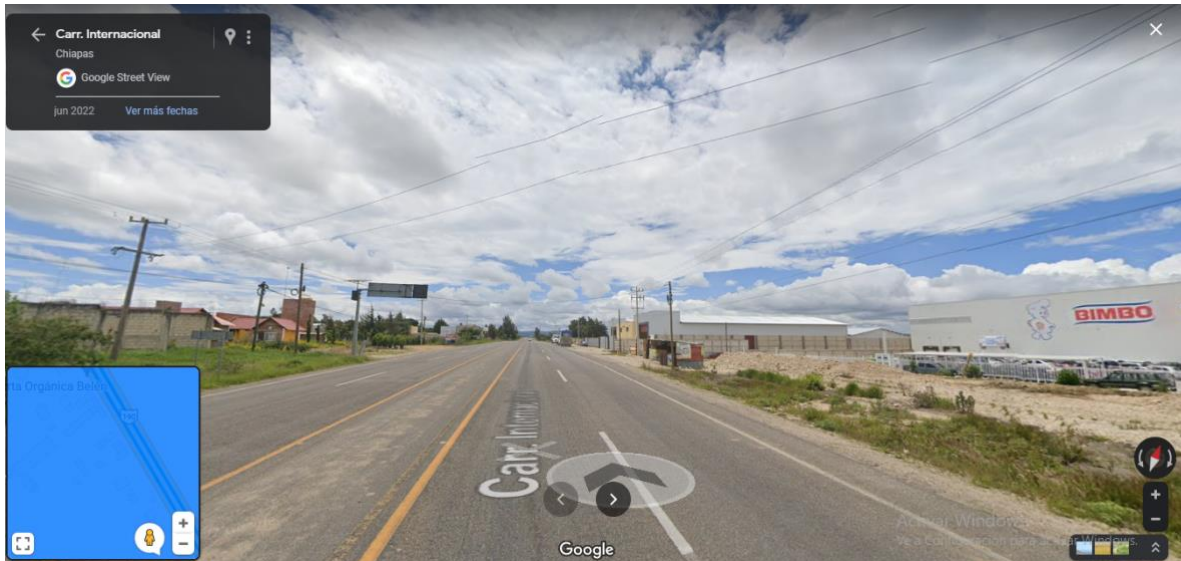

passing the community of michoacan until II Once we arrive at the La Trinidad automobile service center,

we will continue advancing 6 more kilometers where we will pass by the Mayan restaurant and another kilometer from the gas plant comitán

to advance 2 kilometers to reach the Bimbo winery

where we will advance two more kilometers until we reach the federal police of comitan and a few meters further is the street to get to the women's hospital

where we will advance almost a kilometer and we will see plaza las flores comitan arriving at the traffic light next to a gas station we will turn left

We will continue along Calle de Chiapas number 226 a few meters to the university.
