

Man on the Moon

Once upon a time there was a little man who was very sad because he had a spaceship but he didn't know what to do with it. - Can you help him? - What could he do with his space ship? -

Then, he decided to go to the moon and flew and flew until he got there. - So, where is he now?

As he had never been on the moon, he wasn't sure about what he could do there, so he thought inside his spaceship. - What do you think he decided to do?

Of course, the little man thought that he had done such a long trip because he wanted to visit the moon. So he decided to go outside for a walk, and walking until he met a ... - What do you think he met?

Oh! yes! He met a dinosaur and as they made very good friends, the little man decided to stay in the moon to live with his new friend in a beautiful tent he had in the space ship, and since then this little man is known as ...
