# The Gingerbread Man. ☺

The gingerbread man tells the story of an old woman who baked a gingerbread man shaped cookie one day.

In the tale, a woman bakes a gingerbread man who jumps out of her oven and runs off. The woman and her husband tried to hunt him down, but were unable to catch him. While running away from them, he finds different farm animals that want to eat him.

In the history lets able to identify the verb were, also ing in the past tense and several in the verb to be.
