

Cool

Bryan Utraco Hernandez

Could

- we could file this and if something
- The garbage he doesn't cook but he could
- This could work do you think you could
- Could be worse
- he could trust and he can
- It's for my brother but the boy could
- he could trust and he can
- how could it be popular
- he's your son I have a son how could you
- did not know how could I be well your
- por recipe how could your not know your

Should

- you think that maybe we shouldn't be so
- he has taken a bold risk and we should
- cooking career you should be responsible for it
- what should I do now lol it no no not
- what should I tell them what did you
- food you should give it a name that

would

- hey that would go beautifully
- what would you call that flavor
- I think she needs it would help
- as chef cousteau would have
- what would happen to us if anyone knew
- by a tiny rat chef oh would you listen
- tell them or tell them I would ask
- but you would have to be an idiot
- lose his job which means I would be done that I would have followed the
- recipe I would have followed your advice
- I would have followed your advice to
- why would ingredients be filed with you
- do you know what you would like to see
- provide the perspective with would go
- well how would you prepare it
