*“Put your heart,
mind and soul
into even the
smallest acts.
That is the secret
of success.”*

I would like to live in San Cristobal de las Casas, a wonderful place surrounded by incredible people and a magical place full of incredible things. The house that I would like to have on the outside would be with a large parking lot to place the cars that I have always wanted with super large white columns with recessed lights in the upper parts. The windows would be super large and made of glass with a large colored door. coffee

The house would be painted brown and white with only three steps to reach the door, with a small garden with three or more palm trees and pots with large flowers and the garage would only have built-in spotlights.

What would the inside look like?

In the inside part I would only have two bedrooms and they would have a large space. The first bedroom would have a double bed with a small dresser and three paintings of my special edition. The room would have climate and plants and a large closet for all my clothes and some curtains for my blue window and the spotlights would be round

*the key to success is you
"dream big"*

The second bedroom would have a double bed with a coffee-colored sofa and three paintings and plants since that brightens my days and a long lamp and a super large mirror and a closet for clothes and finally a white carpet and white curtains

KITCHEN PARTS

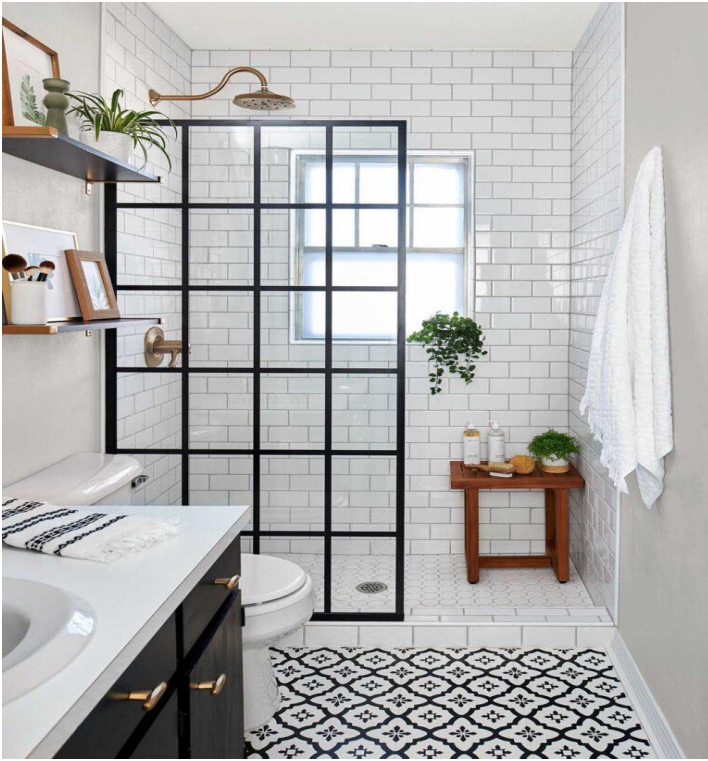

The kitchen would have a fridge, stove, dish rack and long chairs and a small wood-colored dining room and it would use white plants and forks just as it would have a small plant there and the spotlights would be long and a fan

PARTS OF A ROOM

The living room would have a long sofa and a very comfortable chair, a gray plush rug and a small table in the middle, a plant in the corner and some paintings on the wall in the back, a window divided into squares and a long white lamp.

PARTS OF A BATHROOM

Finally, we have the bathroom that includes a bath tub and an electric shower with a sink and a small window at the bottom, a glass divider and plants and a small table and a dressing table that contains boxes of shampoo, creams and soaps and of course, it could not be missing. Last a floor mat and towels

If your dreams are very big, don't tell them to small minds.
