## Pasado simple en negativa

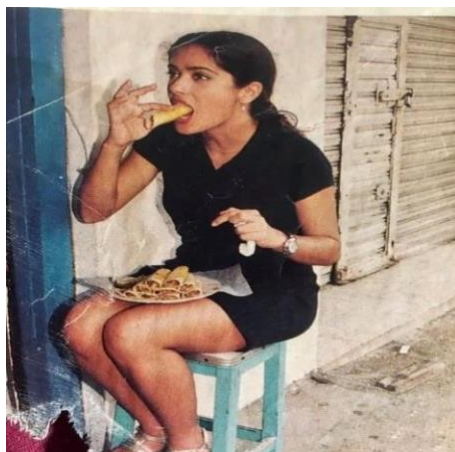

La forma negativa del pasado simple en inglés no podría ser más sencillo: simplemente tienes que poner **didn't** delante del verbo principal, que se queda en infinitivo. Además, **didn't** vale para todas las personas gramaticales, ¡nunca cambia

Los verbos auxiliares existen para hacernos la vida más fácil (¡nos dan auxilio!). Y en el caso del pasado simple en negativa, eso es exactamente lo que hacen. Para formular el pasado simple en negativa, simplemente tienes que poner **didn't** delante de la forma del infinitivo.
