THE LION KING

Fable continues

I will do, I love all the animals who will be the winner Simba or Scar?

Simple Part

I killed your father and now

Fable simple

I am going to kill you

INTRODUCTION:

This story includes characters: Mufasa, Simba, Scar, Hyena, Timon, Pumba and Nala. It starts in Africa all the animals make a circle and the monkey say "Welcome to Africa, this is the circle of life and all the animals are happy but there are problems coming". Simba the little lion run in the desert, when looked a very widebeest and it's was hide. his father, Mufasa, was to save him, and when he did he was trapped and was thrown from a ravine for Scar, it's did everythin possible to kill him and blame Zimba for him to run away from home.

CLIMAX:

He arrives in a jungle and meets Timon and Pumba. his great adventure friends and where he discovers new things. finally after he meets Nala, his best friend, with whom they return to their home together to occupy his place as king, whom Scar had taken possession of. But Simba did not want to return to that place where he killed his father but later he finds the wise monkey who tells him that his father is not dead, he lives inside him, that is how Simba decides to return home and face Scar.

DESENIACE

Later Simba go to his home and faces Scar in a fight and in the end Simba is the winner and Scar confesses that he was the one who killed Mufasa, Simba's father. Simba takes his father's place. This is now happiness comes to Africa and all the animals enjoy the harmony.
