Introduction

After moving to Salem Massachusetts
Max Dennison explores an abandoned house,
with her sister Dani and her new friend
Alison accidentally free the three witches,
who used to live in the place with the
help of a magical cat the boys must
steal the book of spells of witches
before they become immortal.

Climax

Massachusetts City in the United States and began showing the Sander son sister, when they were children they lived to Christian laws before they knew witchcraft, But they already had revolutionary ideas for their time.

THE END

Children destroy the Book of Witches and they turn to dust so they will never bother people again, then the children returned home to their families in order.
