- A Donkey

**Introducción**

A old man and a boy traveled, from town to town, in the company of a donkey. When they passed through the front of the towns, rumors began to be heard from people who said: what a couple of fools! they have a donkey and walk along the road.

Hearing them, the old man felt bad and decided to pay attention to such words, then he put the boy on the donkey and they continued the journey.

Upon reaching the next town, the boy catches the

attention of a farmer, what a comment:

### Developed / climax

I what and Inconsiderate child!, being young and energetic, let the old man walk and get tired. The old man and the boy are left thinking they decided to change places, upon reaching the town the people began to mormure. Old abuser and selfish, take the child walking in the son. So the old man and the boy decided to ride the animal together.

### The End / conclusion

A man approached him and said is that donkey yours? yes, replied the old man.

Well, it doesn't seem, Judging by the way they treat him, they should take care of the poor animal.

They tied the donkey and loaded it and the people said the same.

He understood that by pleasing every thing he can lose his most precious assepts.

Moral: No matter how hard you try to please everyone, you will never succeed.
