

SIMPLE PAST

Hi Karla, we haven't talked for a long time

That's good, did you go to the beach?

Of course, I went on vacation to an opera concert

Yes, my mom had bought some tickets at the beginning of the month

I went to the movies, we ate ice cream and watched an incredible movie, i had a great time on this vacation

why?

That's bad! But health is more important

Time is going to pass quickly

Hi Carol, i was on vacation

Yes, i went swimming in a beautiful sea

But, did you go on vacation?

Did you like opera?

That's cool, and did you go somewhere else?

i'm so jealous, I could only go to the beach one day

I was sick, and the doctor prescribed me rest for 1 whole week

Yes, now i just have to wait for the next vacation
