Hello. My name I am Alejandra and I am 18 years in the tomorrow when wash my face and brush my teeth have breakfast take shower drink coffee make my bed get dressed go to school and study I am study From UDS University Since our mother died, we did not feel like studying if it were not for my brothers never fled studied but one thing remembers that what you promised to me mother who would always go ahead with my studies so it was that I continued to be and I plan to fulfill that promises that ice to my mother and also to my brothers I thank you that they are helping me if it were not for them I could not study and I want to Get ahead achieve my dreams and fulfill the promise I made with my mother even if I do not have it with me I will always have in mind her advice that she gave me I love my mother very much

My dad's name is Juan He works like Alba nil always goes to work at the beach and my mom is called albino but she died three years ago because of a disease was diabetes when she died one of her daughters was sick heart it is hard for her to breathe but a I have eight brothers three women and five men my first brother is called Rigoberto ye is married My sister-in-law is called Claudia has seven children and is AL bail

My second sister is called Rosa Maria is licensed works in Tijuana she speech ingles has been working in Tijuana for 17 years

and my third sister is called Elizabet she is twenty-eight she only finished her preparation and went to work in Tuxtla ace 12 years and she married and has two children the first s a girl and the second is a boy the girl is called

Jimena y he name Mateo de Jesus his father is called Mauri and he works in a store and my fourth brother flame Juan Carlos is 26 years old he only finished his

High school 5 years ago he went to work Sonora to help my dad and my fifth brother s called Jorge Luis he worked in Sonora and ace two years got married and my cullada is called Elsa and they have a girl called albina

and my brother Martin finished his preparatory and entered the university but could not finish it because of an accident that we had in my family and tube that

Unsubscribe and three years ago he went to work in Tijuana with my sister and shortie works is a screen factory my brother is twenty-two years old was 19 when my mother fallacious and my brother Miguel is twenty years old

I also finish his preparation but the accident of my mother and did not want to continue studying and two months ago he went to work in Tijuana because where we saw there is no work and my little brother is called Francisco and goes on the Telesecondary and lives with my dad the tine 12 years and my little sister who is called Maricruz is nine years old and goes to elementary school and is in fourth grade of primary school
