Take other transportation to get there to the university. Since my classes start at 8:00 a.m. that's my routine. From Monday to wendnesday. On Wednesday afternoons or after going outo from the university I start to pack my thing. to travel to my home, which is an hour and a halfaway. Since my father work in the field, he is forty – eight. My mother is a great woman and a homemaker, has forty-six. My two sisters who are adorable. The live on the ranch, and my brother is wondeful and a gread man, my brother lives in New York.
