What did you do on your holidays?

On my vacation I visited my grandmother's house with my parents, we ate chicken with rice. We sat on the couch and watched his favorite show.

We also visited a place called mujica and we went swimming in the natural pools of the place, we took beef to eat and we roasted it. We drank beers to relax and at night we roasted marshmallows.

We danced all night until dawn. The next day I slept in, swam, played soccer, took a tour of the place before leaving. Upon our return we unpacked our suitcases, I showered, ate something light, prepared popcorn and some extra snacks and we got ready to watch action movies with my husband to rest in the living room. We slept soundly until the next day with the television on.

The next day we dedicated ourselves to cleaning the house and watering the garden, I bathed my 4 dogs and we got ready to rest.
