My childhood

When I was a child, I was very angry, I liked to fight with my siblings.

I was a small girl, with brown hair and very thin.

I was very friendly, I played with all the children at school.

When I was with my family on a family trip, I didn't like to be in family photos.

I didn't practice any sport.

I hated playing sports, but I liked riding a horse.

When I was little, my sister and I watched movies for Disney before we went to kindergarten.

I used a lot of dresses and clothes will be combined my sister's.

I loved and still love being with my family.
