ISSUE:HOUSE DESCRIPTION

my home

My house on the outside is red and white and this girl, even on the side, has two trees that are located in a neighborhood.

we are four members of the family that is made up of mom, dad, brother and me, the house has three rooms where each one has her own room.

It also includes the room where the television is, modular with furniture, then follows the kitchen room that has the dining room.

It has a small patio where sometimes we eat there.

My room has a bed, a wardrobe, a dresser, a television, and a small piece of furniture for my shoes.

In the whole house we have three beds, three televisions, a dining room, a set of rooms, the kitchen and the patio.
