CUATRIMESTRE:2

FECHA: 23/01/2023

My name is norma morales, my grandparents live in jocote, their house has three rooms, the living room, the bathroom, the kitchen and the patio: In the first room there is a bed and in front they have a T.V on the table and on the on the right there is a closet and on the left there is a window with blue curtains that the light reaches them very nice every morning and next to it is their dressing table, in the second room there are two single beds, on the left side they have a closet and on the right a drawer, It also has a television, from there we have to go through the corridor to get to the living room. In the center we have a T.V cabinet and next to it are the sofas, on the wall there are some pictures with photos and next to it is the last bedroom guests where they have a bed, next to a chair, to the right there is a drawer and to the left a closet, and the bathroom is up four steps and right there is the shower and the kitchen is in front of the rooms in the center is the dining room with chair As, to the right is a cupboard, a stove and to the left is the fridge, next to it is a table that has a microwave, a coffee maker and finally is the patio with flowers and is where the car is parked.
