The grandparent's house

This is my grandparent's house, it's a lovely house. It has one bedroom, inside there is a bed, two armchairs and a small table. The bedroom has a closet and a big window. The house also has a bathroom and small living room, there is a tv and a sofa. On the wall there are many family photos. In the kitchen there is a big table with eight chairs, a stove, a refrigerator and a cupboard with many dishes and cups. Behind the house there is a garden with many flowers, there is a table and a two chairs, also has a swing for children.
