Student's Name Cassandra Guillen Najera

Theme Name Description

Partial 1st

Subject Name "English"

Name of the professor Liliana Rubi Gutiérrez

Name of the Degree "Nursing"

second semester

I would like to have a house that is large and with a lot of space where there is a large garden with a table with an umbrella, where there is a grill to make hoe meat and a swimming pool, in the part of the living room I would like there to be soft and padded armchairs with a flat screen television and a bartender to prepare drinks, in the kitchen I would like a large refrigerator to put food in, a nice trench with a dark wood cupboard and a large dining room with cushioned chairs and a beautiful glass table, I would also like have a laundry room where there is a washing machine to wash clothes and a dryer with its ironing board and its iron for clothes, I would also like a spacious room with a balcony and that the balcony has glass doors with some chairs for rest, in the Inside I want you to find a large bedroom with soft pillows and a soft mattress with a bedspread and nice pillowcases also a large screen television and a video game console on the other hand having my dressing room and having spacious and beautiful closets with a large and tall mirror and in the bathroom having an electric shower with a bathtub for relaxation and a large mirror and a beautiful view of the garden, lastly I would like a garage where I can fit a car and electric gate.
