I put this image of this house because it seemed to me that it matched the house of my dreams in which I would like to have a house as it is where I have a large kitchen, dining room, about 5 rooms, basement, balcony, a terrace, a garden with a pool, a room to exercise, 2 bathrooms, a living room, a study, having a TV for each room, having I refrigerator, stove, that has pictures or paintings, a garage to store my car, about two trees in the patio and only that I imagine that I would have my house that I want or that appears in my dreams.
