Nombre de la Materia: Ingles

Nombre del profesor: Liliana Rubi Gutierrez Penagos

Nombre de la Licenciatura: Enfermeria

Cuatrimestre: Segundo B

In this bedroom we can see that it has a view of the sea with palm trees and grass with chairs, we can also appreciate a bed with a white blanket, a brown bureau, we can also appreciate the palm trees that are in sight and the most beautiful thing is the sea to go out and sunbathe.
