SPONGEBOB'S HOUSE

On the first floor there is a living room, a kitchen and a hallway. In the living room there are two armchairs, a TV, three dried animals, a window, a telephone on a table and two doors; in the kitchen there is a refrigerator, an oven, four cupboards, a dishwasher, a window, and a back door; in the hallway there are stairs.

On the second there is a bedroom, a bathroom, a study room and a fitness room. In the bedroom there is a bed, an alarm clock on a barrel, a ladder, a window and a closet; in the bathroom there is a tub, a shower, a toilet, a window, and a sink; in the study room there are many shelves with books, a slide and a sofa; in the fitness room there is a mat, a dumbbell and motivational posters. And there is rooftop.
