In this bedroom we can see that it is white. It has a wooden bed on the left side, it has a bureau with a lamp on it, we can also see the wooden closet and next to it is the bathroom, we can see a towel and the sink. Leaving the bathroom there is a chair in the corner on the right side of the bed, it has a small table and in front we can see the door that leads to a small terrace that also has a table with a vase on it, a chair to the side with a view of a garden with palm trees and the entire terrace is surrounded by a wooden fence.
