My house is really big there are 4 bedrooms, three bathrooms and two living rooms. There is a big kitchen too, where my mother and I cook everyday .

In my bedroom there is my bed, a tv and my own space to do my homework. My house has a backyard, there is a swimming pool that we use on weekends.

I forgot to say , that there are stairs too, because it is a two- floor house. In that house we live, my two brothers, my mom and dad. And my dog.
