# MY DREAM HOUSE

Welcome to my dream house. My dream house is a loft in a city. It has one floor. There are only two bedrooms. The first room has a bed, a wardrobe and a T.V. There are lots of posters of my favorite actors and singers. There is a lamp, a french window with a view of the garden. Also there's a bathroom with a shower and a toilet. In the guestroom there is a bed and a wardrobe with a bathroom too.

There is in my dream house a fully-equipped kitchen, with a fridge and a stove, There's a big table, and a door to the garden.

In the dining room there's a table and there are some chairs. And there is a fruit basket too.

In the living room there is a table, there is a white sofa and a TV set.

And there is a study-room with a desk and my computer.

Outside my dream house has a garden, there are a lot of flowers and plants. There isn't a swimming pool.

Oh, yes! and there is a garage, too.
