My house is médium in coral color, there is a garden, it has a part where there is not much nature. There are some trees that I really like.

It has for our rooms, there is no pool, but I have a beautiful view of the city, it has a kitchen, there is a stove, a refrigerator and a space for washing dishes, a table with four chairs, there is no place for a bigger table. There is a staircase that goes to the bedrooms.

In my room there is a bed, a wardrobe, a table, a chest of drawers and a mirror, but there is no space for a television. In the other rooms there is no bathroom inside and they have to share, there is a large patio where family gatherings take place, and there is no shade in the patio
