I would like to live in a house in the middle of the forest. In the house there are three bedrooms with a bed each one, there is a mat, in two rooms there is a TV and in the third room there is a dresser table.

The home also it have two bathrooms with showers in each one, in one there is a picture, a pat and a pot, in the second there is a mirror.

The house have a kitchen with a refrigerator, a cupboard, a stove, there are glasses, plates and utensils to cook the food, it also there is a sink to can wash the dishes, and to decorate there are vases and pots.

Now we will tour the dining room, there is a table with six chairs, ideal for my family. We continue with the living room, there is a couch, there is a round table in the center and for decorate the table there is a vase, and two beautiful windows to can appreciate the forest.

Finally, to end the tour we should to see the balcony there are two tables with four chairs each one, also there are stairs to go up to the second floor, in this space we can enjoy roast meat with the family while contemplating the nature.
