room. There is a great view of the garden, it will be a large dining room for all family and friends On the second floor will be the rooms, there will be 4 rooms, maybe two or three rooms for children in some future or for guest room, they would have their own bathroom, a bed, a bedside table, wardrobe On the second floor will be the rooms, there are be four rooms, maybe two or three rooms for children in some future or for guest room, they would have their own bathroom, a bed, a bedside table, wardrobe
