

In my uncle's house there is a garage, in the garage there is a car and a bicycle, it has three bedrooms, there is a kitchen, there is a living room, there is a backyard and there is a front patio.

In each bedroom there is a bed, in each bed there are two pillows. In the kitchen there is a refrigerator, there is a stove, there is a cupboard and there is a table.

In the living room there are three sofas, there is a television, there is a vase, there is a carpet and there is a telephone
