In my grandparents' house, there are five rooms: the living room, the dining room, the kitchen, the bedroom and a bathroom. In the living room there is a large and flat TV, a sofa and two lamps. There is a large table with six chairs in the dining room. In the kitchen we have a refrigerator, a stove, a sink, there are two coffee makers and a garbage can. In the bedroom there is a bed, there are pillows, there are blankets, there are sheets, there is a TV. In the bathroom there is a shower, a bathtub and a soap. There is a garage for one car and a small patio for the dog. and all are welcome
