The house of the pink panther is large, outside you can see a garden, on the first floor is the kitchen that has a stove, a refrigerator, a dishwasher, on the other hand, there is the living room with armchairs, a sofa, coffee table, TV, lamps, in the windows has curtains, has a dining room with a table, chairs, Carver. On the second floor are the bedrooms that I suppose are two, in both have beds, dressing tables, televisions, paintings, closets. In the bathrooms that I suppose are two also, it has showers, sink, toilet, mirror, and to finish a terrace
