SUITS

- Per your request, this is everything.
- You didn't just come over here to deliver work product.
- I've got a revised settlement offer. And before you say anything, it contains a provision prohibiting me from using it against you.
- After what happened today, you think I'm going to settle?
- Please, Harvey, just take a look at it.
- So now that you need something, it's Harvey, not Reginald.
- Settling is what you do.
- Not with you. And the reason I'm not gonna settle with you. I get it.
- I ducked you.
- Look, I could take the losing, the gloating, and the taunting.
- But what I can't take is losing to a coward, who's too afraid to stand up and try to beat me again.
- I didn't beat you the first time.
- What the hell are you talking about?.
- It was rigged. I bribed the jury.
- What?
- That's why I keep ducking you.
- You're telling me, you cheated all three years?
- once I won, I was the guy who beat Harvey Specter. There was not going back.
- And you think admitting that now is gonna make me settle?
- I'm coming clean because it's time to put it to bed.
- Put it to bed? You gonna take an ad out in the crimson saying you cheated, just like did when you beat me back then?
- Harvey.
- No, no, I remember it.
