What did I do on my holidays

Well, my last vacations were amazing. My family and I travelled to the beach in Tapachula and we had a lot of fun there, it was pretty. I met new people and friends, I swam with my brothers and my father, ate a lot of fish and seafood, the seafood is actually delicious. I drank a soda of grape, my mother said that it is delicious but my brother didn't like it. The travel was short but enjoyed it a lot. In new year we were in my house, the dinner was fantastic. In my free times I started to read a lot of books on the field with my friends, In one of my games I fell, but it was not dangerous. As well enjoyed ride in my horse on Sunday in the mornings.
