Hello my name is Bresly Gomez; on my vacations I went to my grandmother's house with my family.

My mom cooked turkey, dad watched T.V, my sister played soccer with her boyfriend, my brother played with his toys, and I was with my boyfriend. after the new year I went out with my boyfriend for a walk around the city, I ate a delicious sandwich, I swam in the river, I danced in the central park, oh and I kissed him too. I visited my best friend on January fifth we watched movies, listened to music, cried over a romantic movie. I had to go, I went to my house.

on January tenth we went to visited Oaxaca, me and my boyfriend swam in the sea, I ate fish. my sister did not swim in the sea, my brother did not eat fish and my dad did not want to swim. My holidays were perfect.
