## WHAT DID YOU DO ON YOUR HOLIDAYS?

On these vacations I was with my family at the Chiflon waterfalls. We had very nice moments. We went in my brother car for 5 days. The first day we visited my mother family in Mesilla. We talked for a moment and then we went swan in a river. At night I went to a restaurant with a friend. We were going to eat hamburgers but Gabriel did not like he ate a pizza. The second day we went to the waterfalls, we ate watermelon and black Berry. We were walking all the way.

I liked spending time with my family.

My brothers and I had a lot of fun. We spent the following days at the family house. Take the Opportunity to read a book during free time. On my vacation I met a very special person and that was the best thing that could happen.

Did my family enjoy the holidays?

Yes because They were the best
