## *Conversation in simple past*

Ada: Hello Jaz! How are you? What did you do on the weekend?

Jaz: Hello Ada! Very well thank you, this weekend I did many exciting things!

Ada: How interesting, tell me about it.

Jaz: Of course, on Friday night my dad invited me to dinner a very delicious pizza and I went with my boyfriend to see a movie at the cinema. On Saturday I visited my grandmother and she gave me some very nice earrings that belonged to my great-grandmother.

Ada: What an emotional gift your grandmother gave, I would have loved to have something like that! and the Sunday that passed?

Jaz: Of course, I went to the ranch, rode my horses and bathed them because they were very dirty, in the afternoon I was invited to a birthday, so I went to the shop to buy a nice gift.

Ada: How happy and great your weekend was!

Jaz: and what did you do on the weekend?

Ada: Well, it was boring and sad, at dinner on Friday I got poisoning food eating strawberries and I went very quickly to the hospital. Where I spent the whole weekend hoping to improve.

Jaz: What a tragedy, my grandmother gave me a very good remedy for poisoning food and I drank a lot of milk. How great that you are better!

Ada: Thanks, a pleasure to talk to you, I missed you friend, see you soon!

Jaz: Thank you, see you soon, I love you.
