WHAT DO I DO ON WEEKENDS?

Almost always on Saturdays, i get up late after breakfast, i bathe, i watch tik tok, i go out to eat at my grandmother house, i hang out with my family for a while and in the evening i return home and watch movies with my parents

On Sunday I get up late, I hardly do anything or it depends a lot, maybe I stay at home or go out to eat somewhere and then go to the park, stay for a while, then go visit my grandmother, be with her for a while. for a while and then go for a ride in the car with my parents, go buy dinner, get home and watch a movie or do homework and then fall asleep
