My daily routine begins on Monday, in the morning I get up, I brush my teeth, my face, finishing I change to go to school, have breakfast, then my classes continue, when I finish school I return home, I put on fresh clothes, I order my things for the next day, I'm going to eat, then I do my homework and I'm going to train, depending on the day I train or go to the gym, this routine is from Monday to Friday, on weekends my routine is different since on Saturdays I am generally at home with my family and on Sundays I have volleyball games just like the week.
