

I get up at 8, after breakfast, then I clean my house, from there I fix all the rooms, I wash all the dirty dishes, I keep them in their place and I sweep and mop the whole house. and I go to the cinema with my friends and then go to the parties of the weekends,

Wh-question with simple present

Do you like me?

Why do you like me?

Why do you like me?

How much do you like me?
