ELECCIÓN DE ALIMENTOS

PROFESORA: JULIBETH MARTINEZ GUILLEN

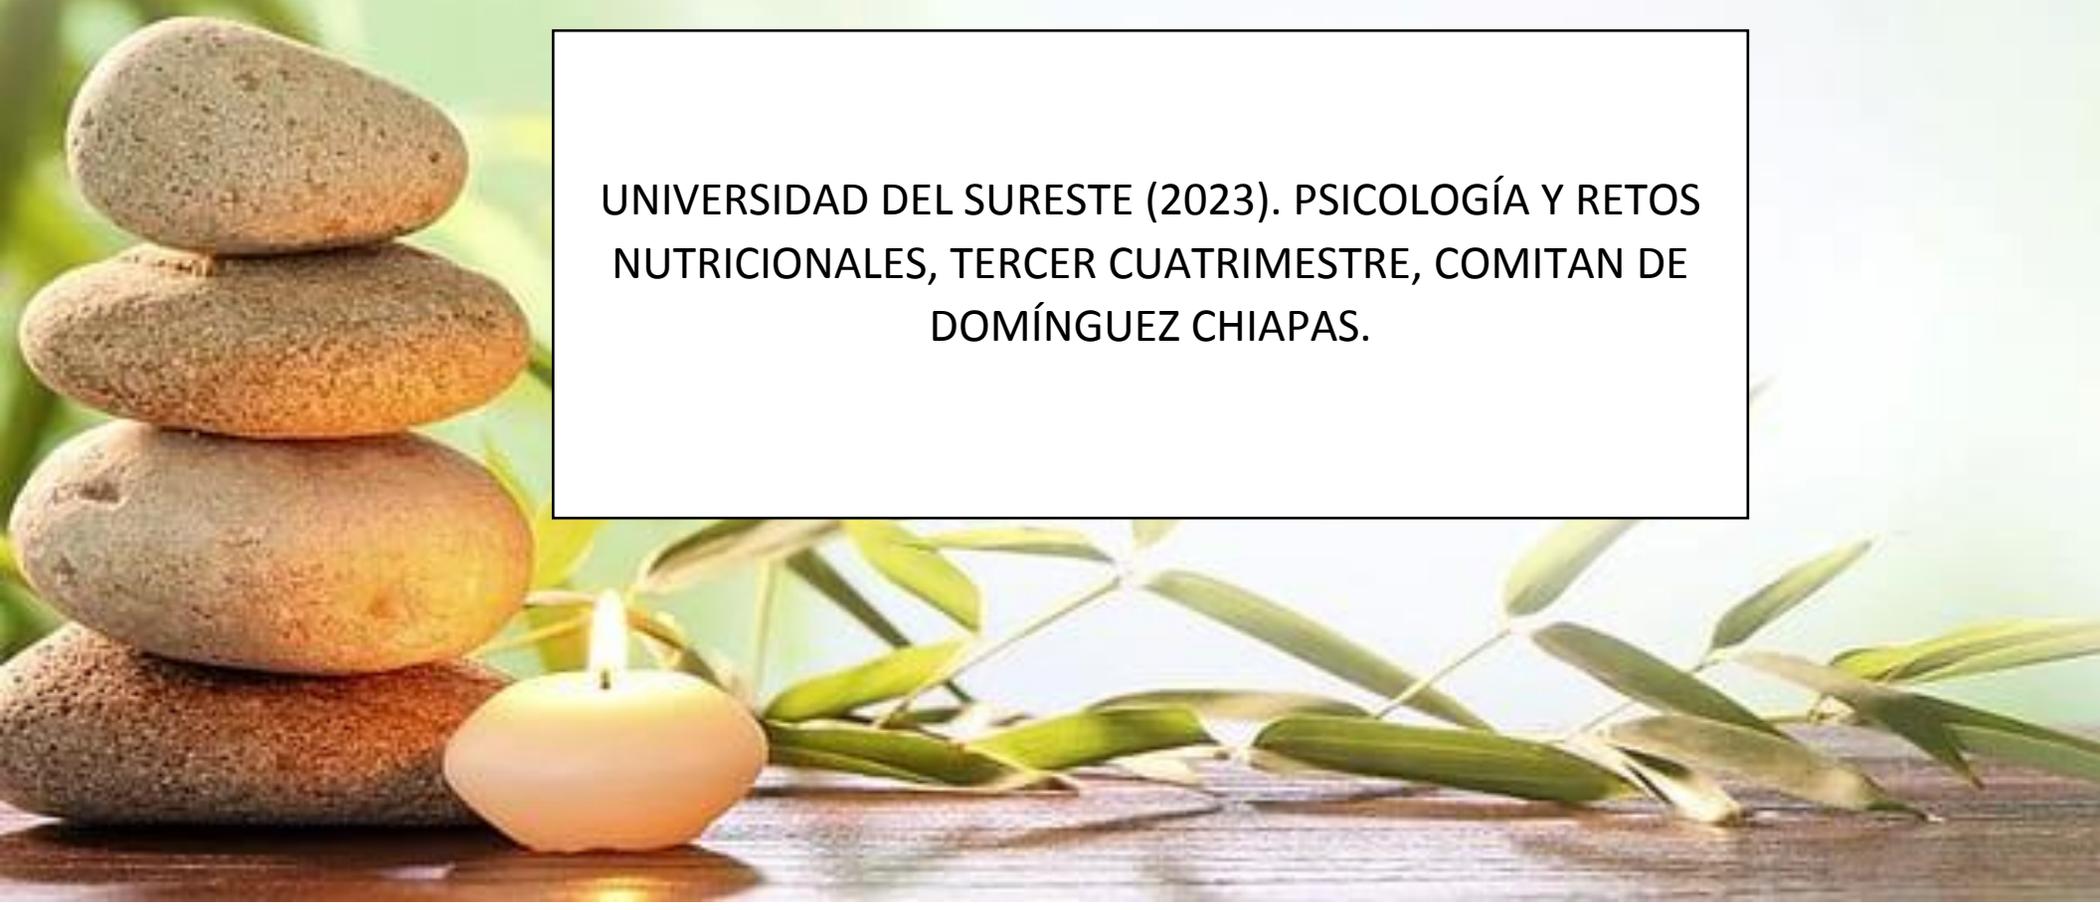

ALUMNO: GERARDO HUMBERTO AGUILAR CRUZ
CUATRIMESTRE 3

FECHA DE ENTREGA: 03 DE JULIO DEL 2023

Influencias sensoriales en la elección de alimentos: experiencia vs preferencias innatas.

BIBLIOGRAFIA

A stack of four smooth, rounded stones in shades of brown and tan is positioned on the left side of the page. In front of the stones, a small, lit candle with a warm glow sits on a dark wooden surface. To the right, a sprig of green bamboo leaves extends across the bottom of the frame. The background is a soft, out-of-focus green, suggesting a natural, serene setting.
