Annotation tools

Annotate and Markup PDF

Sometimes you need to give feedback on a document quickly. Tap Edit to start annotating directly on your PDF—you can highlight paragraphs and add comments or notes.

On the top toolbar under Annotate select the tool that works best for you.

Some annotation tools can be selected by tapping and holding any place in the document and choosing the tool from the popup.

Notes

Add text Notes

Enrich your PDFs with important remarks by typing text comments in the margins of the page. They are searchable and you can find them later.

Highlight with Colors

Colors emphasize different values of information: highlight the main ideas with yellow, take green for additional info, and red for corrections.

Custom text

You can also edit the size, font, and color of the added content.
