## The Titanic

The last movie I watched was Titanic. It is a story based in a true story.

Jack and Rose are the protagonists of this story. This story began with Jack, He was from a low class, but in a game of cards, He won a ticket to America in the great ship Titanic. Jack knew Rose on the ship, Rose was a high class girl, engaged with a young man, who didn't love. Rose saw in Jack a young romantic, simple and gentleman<sup>man</sup>. They fell in love but the social classes didn't <sup>allow it</sup> when they fought for this love, the ship sunk.
