Well my last vacations were amazing my family and i traveled to beach and we had a lot of fun there it was a petty and cool place. I met new people and Friends, i swam with my father and mom, we ate a lot of fish and seafood, the seafood is actually delicious but something that i didn't like was coconut mil kit wasn't tasty my father that it is amazing and delicious but i didn't i didn't like it. In conclusión i can father i had a wonderful time with my family, i enjoy the time and there moments that i spend in that awesome beach, i hope that one day we will be back there

Apart from that. When i arrived home, i went out some days at week with my Friends and my family, Aditonal to it, i visited some place in my city and the mall, actually i got a lot of fun in this vacations in deed i love it
