¿Qué vas hacer cuando termines tu carrera?

When I finish my degree I am going to work in the hospital and carry out everything I learned, I am going to study a speciality outside the city, spending time I will enjoy it by doing things that I like, I am going to travel to places that I do not know and I am also going to adopt two puppies and I am going to buy my own house to be happy, I am going to continue working, helping people, I am going to start my own business related to health and be able to have some extra income to help my parents.
